

SUMMER TASKS: GEOGRAPHY YEAR 8

TASK ONE

TASK TWO

TASK THREE

TASK FOUR

EXPLORE

Climate change. Start by watching 'Climate change: Earth's giant game of Tetris' (https://ed.ted.com/on/xW7swOOZ?theme_id=earth-school). Then think about what actions can you take now to ensure we reduce climate change and prepare for it in the future? Take a look at this optimistic video from Global Optimism for some inspiration! (https://ed.ted.com/best_of_web/kpN3w89R), and here are 25 ideas of where to start (<https://www.oecd.org/stories/climate-25-actions/>).

TASK FIVE
